Restrictions and Specification		
<ol style="list-style-type: none"> 1. Grave sizes are 5' x 12' 2. All new headstones must have a level cement foundation 4" thick that extends 4" beyond the base of the headstone on all four sides. Foundation must be at grass level and their forms approved by cemetery staff before concrete can be poured. 3. Plot areas must be free from trees, flowers, rocks, etc. Headstones (including base) and shrubs are limited to 26" in height measured from the top to the foundation. Width limits: 36" single – 60" double. Depth limit: 18". Shrubs must be in line with the headstone. The Town of Snowflake will not accept headstones (including base) over the set limits and is not responsible for any expenses incurred for headstones that do not meet these requirements. 4. Town of Snowflake and their staff and agents are not responsible for damages at the grave site to include: headstones, trees, shrubs and flower arrangements, etc. 5. Grave sites may only be sold back to the Town of Snowflake at the original purchase price. 6. Vaults are required. No wood or cement vaults allowed. 		
I hereby agree to abide by all of the rules, restrictions and specifications of the Snowflake Cemetery:
